

## Simplicity Motorization

### Reversing Polarity

#### Step 1:

Press and hold the **LIMIT** and the **STOP** buttons on the remote at the same time until:

- Honeycomb Shade - ***the shade beeps.***
- Roller Shade, Window Shading, Dual Shade and Natural Woven Shade – ***the shade jogs.***

#### Step 2:

When the shade beeps/jogs, let go of both buttons at the same time. The direction of the shade is reversed.
