

\$2500 “oops” fund

from enlightened style

Welcome to Enlightened Style and this Exclusive Benefit!

Congratulations on opening your Budget Blinds franchise!

As part of your New Franchisee Welcome Kit from Enlightened Style, we would like to extend an exclusive \$2500 “oops” fund. Think of it as an insurance policy to cover order mistakes such as incorrect measurements, missed options or wrong color/pattern selection. Your “oops” fund is available to you for twelve months from the date your account is activated with Enlightened Style

In addition to this special welcome offer, everyone at Enlightened Style is committed to helping you make this an exciting and successful business launch. Your Area Sales Manager is available to provide:

- 1) Product knowledge training
- 2) Thorough review of the ins and outs of doing business with Enlightened Style
- 3) Assist with Smart Choice promotions to help enhance profitability

We look forward to working with you and your team.

HOW TO REDEEM

In order to receive credit from your “oops” fund, you need to submit a remake request.

NOTE: The credit amount will be applied towards the original order and the requested remake will be at a charge. The credit amount cannot exceed the invoiced amount of the original order.

Your credit/remake request can be submitted by using the online form found at:
<https://tinyurl.com/qsza6t>

A member of our customer service team will contact you within 24 hours with a **remake confirmation and a credit number.**
