

need assistance with honeycomb shade orders? Timber Blinds Can Help

Dear Budget Blinds Franchisee:

Timber Blinds, a Budget Blinds Alliance Vendor as well as a sister company of Enlightened Style/Custom Brands Group (CBG), is available to support your time-sensitive honeycomb shade orders during CBG's temporary plant shutdown.

The ***Timber Prism Honeycomb Shade program*** offers some of your favorite – and most popular – fabrics, including Transitions. With over 130 skus, familiar design options including top-down/bottom-up and two-on-one-headrail, plus all primary control options including Cordless Lift & Lock and Smart Home Motorization options, this program delivers on the majority of your customer needs.

Additionally:

- JM, Budget Blinds and CBG/Timber will extend the **15% rebate** incentive on any Timber Honeycomb Shades ordered between now and June 23rd.
- Timber Blinds has extended 60-day terms for all new orders.
- Free Cordless Lift & Lock is available to all franchisees who order via Touchpoint or through Timber Blinds online ordering system, EPIC.

A **FREE** Timber Prism Honeycomb Shade book can be sent to you immediately. (Please note there are limited quantities of books available.) Contact Walter Watkins to assist you in setting up a Timber Blinds account and to get your free book.

Timber Blinds is ready to assist Budget Blinds franchisees with their time-sensitive orders until the CBG plant is re-opened May 4th.

Thank you for your patience and understanding. Be safe, stay well.

Chris DeBella
Vice President, Sales
